SUPPLEMENTAL ELECTION / RESPONSE

The Honorable Commissioner
of Patents and Trademarks
Washington, DC 20231

Sir:

Responsive to the Notice of Non-Compliant Election dated 8 July 2005, and also to the Restriction Requirement dated 26 April 2005, applicant herewith elects Species I, a device for growing and transporting plants for transplantation, the claims being readable thereon being claims 1-19. This election is without traverse.

Applicant further provisionally elects for Invention I Species A - type of fibrous material - one of polyester, natural fibers, or human hair, the claims being readable thereon being claims 1-14. This sub-election is provisional because claims 1, 3 and 9 are generic.

It is believed that this application is now in the proper condition, and a Notice of Allowance is respectfully requested.

Respectfully submitted,

Royal W. Craig
